Grievant Linda Brown

Union AFFCWA

Date of Hearing Nov 20, 1992

Issue(s): Was the 5 day suspension for
Just Cause?

Appearances:

For the Employer: (Advocate) Ted Durkee
Rabe Coile, 2nd cousin

For the Union: (Advocate) Michael C. Temple

AWARD: I deny the grievance. If ZIT had a better
track record the Unions case would be much
stronger. Article 9 refers to records and there is
no testimony of invasion of records. With the ZITs
history of 15 Discipline Incidents the Discipline is
progressive

Grievant Quincy Daniels

Union AFSCME

Date of Hearing Nov 20, 1992

Issue(s): Was the 5 day suspension for
just cause?

Appearances:

For the Employer: (Advocate) Rachel L. Coile

Ed Durkin 2nd Chair

For the Union: (Advocate) MICHAEL TEMPLE

AWARD: I deny the grievance. Whatever the
Shake Heights P.D. thought they still entered the
institution without a shake down. Testimonies
were they had an "attitude" and then But
should have been alert. I find the discipline
fair based on But's prison history
