Management First Chair Name and Email(Please print): _____ Phil Rader

Union First Chair Name and Email(Please print): _____ Geoff Davies

Please ensure the duration of your jurisdiction is clearly outlined in the final award so all parties are allowed time needed for any clarifications. All arbitration awards also need to clearly outline remedies in order to minimize the need for such clarifications. Finally should the arbitration award include an employee's reinstatement from a removal, please outline the employee's requirement to submit proof of any interim earnings and/or health care coverage to facilitate backpay liability.
