Case No. G86-0742
G86-1014
G87-150
Grievances of Dwight
Stinson

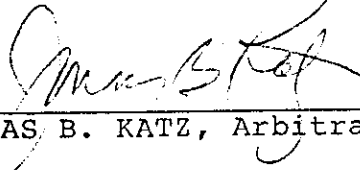

and

OHIO CIVIL SERVICE EMPLOYEES
ASSOCIATION, LOCAL 11, AFSCME

AWARD

The arbitration involving the above grievances of Dwight Stinson was called to order at 10:40 a.m. This grievance involves a disciplinary suspension. It was called to the attention of the Arbitrator that the grievant had moved to California and would not be present at the arbitration. At that time the Employer objected to proceeding with the suspension grievance because the grievant was not available for cross-examination.

It is the decision of the Arbitrator that the position of the Employer is well taken and the grievance regarding the disciplinary suspension is denied for the foregoing reasons. All other issues raised by these grievances which are not the subject of the expedited procedure are referred to the regular arbitration procedure of the collective bargaining agreement.
