ND #833

OCB No. 61-00-880620-0002-01-55

During the arbitration hearing for the subject case, the Arbitrator proposed mediation. Thereafter, the parties reached agreement on the following which are to the sole terms of resolution, subject to adoption by the Arbitrator if he approves of the terms as his final and binding award for this case:

1. The subject removal will be expunged from all personnel records maintained by the Treasurer's Office;
2. Grievant will be deemed and recorded as having voluntarily quit effective June 16, 1988;
3. Perspective employers who may inquire about Grievant's employment in the Treasurer's Office will be told only that Grievant was employed from November, 1980 to June 16, 1988 and that her performance evaluation ranged from average to above average;
4. Grievant will be paid \$30,000.00 with the understanding that she will return \$3,800.00 to satisfy pending claims by Treasurer's Office but with the further understanding that such payments constitute final accounting and include all claims that could be made now or might arise in the future;

5. This settlement and award is without precedent or prejudice to the position of either party in any current or future situation or grievance and will not be cited by either party or Grievant in any discussion or situation in the future;
6. This arbitration award will not be submitted or considered for publication in full or summary fashion by either party or the Arbitrator;
7. By agreeing to these terms, neither party nor the grievant admits any wrongdoing in this matter or proceedings;
8. The Arbitrator will retain jurisdiction of this case and award until the above specified payments have been made.
